

Registering “Parent and Child”

For children who are under the age of 18 on the 1st Sept 2015, Pitchero (alongside ECB guidelines) requests that a Parent should register themselves first and then during this you can add your children to that account.

The registration process is really easy, and should take less than 5 minutes from start to finish!

To help you with the registration process, we’ve pre-populated the database with basic children information based on last years membership details. Don’t worry if you can’t find your child in the database - it’s really easy to add!

It’s important to know that your registration here is different to your actual membership of the club. The normal membership forms will follow in due course.

How do I start?

Simple! Just go to our Club website on the following link:

<http://www.bagshotcc.co.uk/>

This will present you with the new club website. All you have to do to start the process is click the “Join My Club Website” button.

Note: Please do not use the “Facebook Login” functionality, as this will prevent us from communicating to you efficiently during the season.

Once done, you will be prompted with the next screen which is asking for the following information.

Or, signup with your email address

Your name

Gender
 Male Female

Date of birth
1st January 2015

Telephone

Password

What’s important to remember here, is that this is the **parents information** being requested at this point.

- When asked for your telephone details, please use a number which we could contact you for emergencies only.

- The email address should be the one which you would want us to send you information to.

Please remember the email and password details you enter here, as you will need them to use the

mobile application.

Once done, please click the “Register” button to continue.

The next screen asks about **your** role within the cricket club.

Complete application

The final step on the application form asks what is the primary (or main) team your son/daughter plays for.

For all colts, this will be their age group.

Important: This doesn't prevent them from playing in the adult teams.

Please select as appropriate and select the “Complete Application” button.
